About the GST Voucher

The permanent GST Voucher scheme was introduced by the Government in Budget 2012 to help lower-income Singaporeans. The GST Voucher is given in three components – Cash, Medisave and U-Save. GST Voucher – Cash provides lower-income Singaporeans with some cash for immediate needs, and is paid every August. Similarly paid every August is the GST Voucher – Medisave, which provides elderly Singaporeans aged 65 and above with a CPF Medisave account top-up to support their medical needs. Lastly, the GST Voucher – U-Save provides lower- and middle-income HDB households with a rebate to offset their utilities bills, and is paid every January, April, July and October.
