- b) By completing the GST Voucher sign-up form available at any Community Centre, Community Development Council or CPF Service Centre. All forms should reach CPF Board before 31 December 2012.

4 We have enlisted the help of grassroots leaders to visit households to help them sign up for their payouts.

5 As at end-November 2012, the Government has disbursed about \$335 million in GST Voucher – Cash to eligible Singaporeans, and about \$100 million in GST Voucher – Medisave to older Singaporeans. 800,000 eligible HDB households would have also automatically received the GST Voucher – U-Save in July 2012.
